

## TRAVEL AND STUDY PROGRAM

LEARN SPANISH WHILE YOU DISCOVER CUBA

If you want to learn Spanish intensively in Cuba, but also prefer not to stay in one place and travel around at the same time, this program is ideal for you.

On this 2-week program, students will take a Super Intensive Course at Sampere Havana for the 1st week. An intensive, 25 lessons of Spanish lessons per week will help you to learn and improve your Spanish quickly.

On the second week, students will travel around Central and Western Cuba together with a teacher, and during the trip, students will receive 20 lessons of Spanish lessons at the same time. Through the trip, students will visit beautiful landscapes and villages, historic places, and stay at excellent home tourist houses with excellent food and warm welcome.

That way, you can enjoy traveling with other students, and also have an opportunity to learn and practice Spanish in more fun way!
